

Macclesfield Eye Society

Our Services

At Macclesfield Eye Society we offer a number of services for people affected by sight loss, as well as advice and support on a more informal basis.

Our Services

Here's a brief overview of what we currently do:

AT WORK

- ✓ Advice and support with I.T. and equipment.
- ✓ Information and support about finance and benefits for people in work, unemployed or retired.
- ✓ Helping employers to understand the needs and rights of employees affected by sight loss.

AT HOME

- ✓ Equipment advice and demonstrations at our Resource Centre in central Macclesfield.
- ✓ Home visits and discussions about your needs, about offering support and advice with financial entitlements.
- ✓ Volunteer led Befriending service offering regular contact and emotional support for people affected by sight loss who are predominantly housebound.

IN THE COMMUNITY

- ✓ Information and support at Macclesfield Hospital, including a regular presence at the Eye Clinic in the quiet room just outside the main waiting room.
- ✓ Regular and one-off social groups and activities, currently in Macclesfield and Congleton. Please get in touch if you are interested in social groups outside of these areas too as our activities are under development and will soon extend.
- ✓ Our geographic area covers most of East Cheshire, including: Macclesfield, Congleton, Knutsford, Alderley Edge, Wilmslow, Prestbury, Poynton, Disley, Bollington. Where possible we advocate on behalf of visually impaired people facing challenges in the community.

Macclesfield Eye Society

**Resource Centre Opening Hours
Monday to Friday
9.00am – 1.30pm**

**Please get in touch for more
details on any of our services
and how we can help you.**

Macclesfield Eye Society

Enabling people affected by
sight loss to lead fulfilling
lives at work, at home and in
the community.
